

Dear Traveler,

We have exciting news to share with you. In partnership with TripCase®, our new mobile solution for travelers, we are now offering mobile capabilities that we believe will simplify your travel.

What does this mean to you?

The next time you make a reservation with us, your confirmation email will look a little different.

1. Instead of clicking on a link to view your itinerary, it will appear right in the confirmation email.
2. Links in the email will provide easy, one-touch access to your eTicket and eInvoice.
3. You will be invited to download TripCase and use it to manage your current and future trips.
